1987 CURREN

JUDICIAL CONTESTANTS — Supreme Court nominee Robert H. Bork was rejected by the U.S. Senate, and the second nominee, Douglas Ginsburg, withdrew under fire.

SILVER SAILS — After defeating Australia to bring the America's Cup back home in February, San Diego skipper Dennis Conner waves an American flag while clutching the silver cup at a parade in his hometown.

WINNING STREAK — West German Steffi Graf, 17, displays the French Tennis Open cup after she defeated top-seeded American opponent Martina Navratilova.

MATERIAL GIRL — With a movie in the works, Madonna is still one of the nation's top entertainers. Her marriage with actor Sean Penn puts them both in the limelight often.

DAZZLING — Whitney Houston's "Whitney" marks the first album by a female to debut at No. 1 on the Billboard Album Chart. "I Wanna Dance With Somebody" and "So Emotional" are two of her number-one hit singles.

VIOLA VICTORY — The Minnesota Twins beat the St. Louis Cardinals 4-2 in the seventh game of the World Series. Frank Viola was named most valuable player in the Series.

T EVENTS 1988

ROUND TWO — Former Senator Gary Hart (D-Colo.), with his wife Lee, re-entered the 1988 presidential race. Hart withdrew earlier after reports of a sea cruise with Donna Rice caused a scandal.

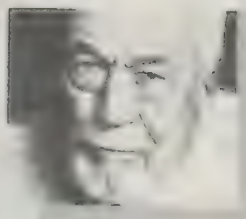
"LITE" METAL — The top-selling album of 1987, Bon Jovi's "Slippery When Wet," sold 11 million copies, the largest-selling album ever in the metal category.

TINY HEROINE — Eighteen-month-old Jessica McClure held on for two and a half days until rescuers freed her from the 22-foot abandoned well in Midland, Texas.

FAREWELL

FINAL BOW — Fred Astaire, 88, was called the "greatest dancer in the world." His innovative, elegant style graced the screen with many partners, including Ginger Rogers and Rita Hayworth.

SHOWBIZ — The consummate showman, Liberace, 67, was famous the world over for glitzing up his concerts with furs, rhinestones and glowing candelabras.



HOLLYWOOD LEGEND — Director and actor John Houston, 81, acted in 21 films and directed 41, including "The Maltese Falcon" and "The African Queen."

EVENTS 1988

WAR ZONE — While patrolling international waters in May, the frigate *Stark* was hit by Iraqi missiles, killing 37 crewmen.

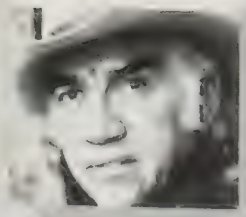
HEAT WAVE — Lt. Col. Oliver North seized the spotlight for six days in July during the Iran-Contra hearings. Despite the wave of "Olliemania," many Americans felt North broke the law.

BLACK MONDAY — The Dow Jones industrial average plunged 508 points to an all-time low following the biggest one-day selloff in history October 19.

FAREWELL

POP ARTIST — Andy Warhol, 58, immortalized the Campbell's soup can and brought pop art to life in the 1960s. He once proclaimed everyone would have 15 minutes of fame.

"HOW SWEET IT IS" — Jackie Gleason, 71, created Brooklyn's rotund bus driver, Ralph Kramden, in television's "The Honeymooners."



TV FAVORITE — Lorne Greene, 72, played the father to three boys in the television series "Bonanza" for fourteen years. He later used his gentle, but rugged, appearance in TV commercials.

MEMORIES

The door of the past
closed slowly on my memories
the window on the door is
too small for me
to see the future.

-Leigh Ann Vickerman

SCHOOL DAY MEMORIES

As we reach out our hand,
The diploma we grasp,
We think of our memories
of the years in the past.
Tears fill our eyes
Because now it's all gone,
We start a new life,
and must move on.
We hope our friends will keep in touch
As the years will pass us by,
Although it hurts inside
We will try not to cry.
We think of kindergarten
And our very first day,
Now we've reached the end
We are all now going away . . .
How do you say goodbye
To the friends who mean so much?
Will there really be enough time
To sincerely keep in touch?
You will always have these precious memories
of your school years from day one.
Just don't think of these school days ending-
Think a new life has begun.

-Jenny Smilk

I'll Always Remember You

Through the years
We've shared so much.
The laughter, the tears
The good times, the bad.
We've started something special here
And now that something is coming to an end.
But that does't mean that you'll be forgotten
Because if it weren't for you
I wouldn't be able to be where I am today.
So, goodbye, for now.
I may be leaving
But I will never forget you.

-Jodi Zats

SENIOR AUTOGRAPHS

Dear Class of 1988,

As I am about to commence into a new life, so you also are about to commence into another phase of your life. I want to tell you all to grasp each new phase of your life selfishly. My eloquence pales bfore the eloquence of writers more worthy than I. The Russian writer, Boris Pasternak, strikes at the heart of what I want to say to you, and perhaps, reaffirm in myself

"In Everything I Strive"

In everything I strive to reach
The very kernel:
In work and in exploring ways,
In pangs of heart.

Down to the essence of spent days,
Their very course,
Foundations, deepest roots,
The very core.

And grasping at the threads of acts
And destinies
To live, think, feel, and love and make
Discoveries.

Live, think, feel and *love* are the very essence of your life. Perhaps the greatest of these biddings is "love." *Live* your lives to the fullest, but in doing so, don't diminish mankind by unkind acts. *Think* so that you know yourself and so that you contribute to the well-being of mankind. *Feel* so that you are sensitive to the needs of mankind. *Love* for mankind has not enough of love. Typically, the reaction to such words is "How can I possibly help mankind by my actions?" In your own microcosm, you can enhance or demean mankind. An unkind act, a lie, a deceit diminishes mankind. An act of clarity, a kindness, a pat on the back enhances mankind.

Each of you will soon make decisions that will effect your life. Up to now all has been practice. From now on, it counts.

But the prices make your wallet sting

Getting started can be tough
Making the right decisions can be rough
